SERMON NOTES

Sermon Notes: Amazing Grace!

God told Paul “My _____ is _____ for you, for my _____ is made perfect in _____.”
“Sufficient”- what does the word mean to you?

The will of God can never lead you where the _____ of God cannot keep you.
God’s grace is “Simply _____”.
Hebrews 4 says that we may come _____ to the throne of grace... wow!
In first John we are told that we may know what?
God _____ you!!!! John 3:16
_____ favor. 1 John 4
Temptations are everywhere and so is the _____ of God.
10.) _____ is stronger than _____.

11.) Grace is the _____ of God; _____ is the condition which re-
sults.....

Going Further: Amazing Grace!

- 1.) What possible reason/s could exist that would explain God’s Grace?
- 2.) Do we extend the same measure of Grace to others that God gives to us? What would it look like if we did?
- 3.) Hebrews 4, claims that we may “boldly” come to the throne of Grace! So, even though this Grace is “unmerited” you can boldly enter into the “expectation” of “Grace”... do you agree with my “interpretation”?
- 4.) Just kind of curious here, I have heard folks say that we “must remind God of his promises”... What is your take on that belief?
- 5.) Psalm 8... might be interesting to read... I believe that the psalmist is helping us understand our (humans) “importance”... but as an outdoor guy I also see “stewardship” extolled in these words... what do you see?
- 6.) Psalm 8... So the other item that strikes me is of all the awesome beauty and intricacy and grandeur that God has created... it seems “mankind” ranks up at the top... wow... who am I that God is mindful of me? Does this also strike you? Explain?
- 7.) Knowing that God willingly pours out his “grace” unto all who believe and accept... what does this realization give you?
