SERMON NOTES

Sermon Notes: Flagging!

- 1.) So, flagging is basically when the ends of branches do what?
- 2.) Basically, the main benefit of pruning is to allow the plant you are pruning to bear _____.
- 3.) For some gardeners it is a huge surprise to learn that if you do not “prune” your plants may not _____ at all!
- 4.) Jesus says in John 15 v2 that God prunes every branch that does not bear so that it will be _____.
- 5.) Andy Cook says that one nice thing about “pruning” is that it will never change _____ you are.
- 6.) Do you suppose the Paul and Barnabas split carried some potential bitterness?
- 7.) Have you ever experienced a “bitter” situation?
- 8.) Eventually Paul asked for _____ to be sent to him... can this be viewed as “fruit”?
- 9.) I would suppose that “pruning” is a lot like “discipline” and it does not seem pleasant at the time.. yet later produces a harvest of righteousness... Are you willing to be pruned?
- 10.) Pruning literally forces more _____ to be put into “bearing fruit”.

Going Further: Flagging!

- 1.) What are your thoughts on the Paul/Barnabas debate? Acts 15 v 36-41
- 2.) Is it possible there were hard feelings?
- 3.) You don't have to share particulars (unless you want to) but have you ever been involved in a contentious situation that later worked out very well.. even though you certainly never saw it coming?
- 4.) Do you think we often have the wisdom to understand God's pruning? In other words, can a good pruning seem more like a good “whipping”?
- 5.) What “fruit” do you think possibly came out of the Barnabas / Paul debacle?
- 6.) Honestly, I think we can all tend to be pretty “egocentric” in our approach to just about everything. I honestly don't know how amicable I actually am to a “pruning” session. What about you?
- 7.) Do Churches sometimes get “pruned”? If you think they could, what or how would that be manifested?
- 8.) “If” a Church got a good pruning, how would that leave it open to “bear more fruit”?
- 9.) Is COVID going to be a set of “pruning shears”? If so, How?
